Chandigarh: The Haryana Government takes pride in becoming the first state in the country to set up a dedicated authority for the welfare of farmers - Kisan Kalyan Pradhikaran - and paying the highest price of sugarcane at ₹340 per quintal. This was pointed out during the Question Hour in the Assembly on Thursday. But it also came to light that sugar mills in Haryana owe ₹625 crore to farmers for 2018-19. Minister of State for Co-operation Manish Grover on Friday said, "The dues are for the current season. There is no outstanding amount for the previous years." Leader of Opposition Abhay Chautala also flagged the matter in the Assembly on Friday during his argument on the Governor's Address. Co-operative sugar mills owe ₹343.89 crore to farmers, while private sugar mills owe ₹281.21 crore. TNS

Panipat MC collects ₹23-lakh licence fee from 139 traders

PANIPAT, FEBRUARY 22 The Panipat Municipal Corporation has collected only Rs 23.80 lakh as licence fee from 139 traders owing to its failure to conduct a survey of commercial activities in the city. The corporation had fixed licence fee ranging from Rs 1,000 to Rs 10,000 for various categories over two years ago. Sources said the MC was facing financial crisis and the authorities did not have funds to pay to their contractors. The MC had sought an additional budget of Rs 62 crore from the Directorate, Urban Local Bodies, to undertake development works. However, it failed to raise sources of income of the corporation.

Panipat is considered to be the commercial city in the state with more than 40,000 shopkeepers, traders, and factory owners. However, only 139 traders had obtained licence from the MC so far, the sources said.

An official said, "No survey on commercial activities in the city has been conducted by the MC or the government so far." Anil Madaan, president of the Sanyukt Vyapaar Mandal (SVM), said 42 city markets were registered under the mandal.

When contacted, MC Commissioner Veena Hooda admitted that the MC was facing financial crisis. The Commissioner said the authorities had been trying to increase income sources. She said the trade licence system was started nearly two years ago, but it was not implemented properly. "I will chalk out new plans to increase the MC revenue," she said. — TNS

81% paneer samples fail test in F'bad

22 out of 27 taken from across city substandard, not injurious to health

BIJENDRA AHLAWAT
TRIBUNE NEWS SERVICE

FARIDABAD, FEBRUARY 22 The quality of paneer has taken a beating with 81 per cent of the samples taken last year failing the quality test.

A reply to a query filed through an RTI application by Varun Sheokand revealed that 22 of the 27 samples of paneer taken from across the city in 2018 were substandard.

Of these, 22 samples were taken in September 2018 as part of a special drive by the Department of Health

(Food Safety).

Sheokand said while packaged paneer was sold at Rs 70 per 200 grams, many shops here had been selling it for between Rs 140 and Rs 200 per kg.

It was either supplied for marriages and parties or purchased by the poor and middle class. Demanding that adulteration be made a non-bailable offence, he said a PIL would be filed in the High Court soon.

Prithvi Singh, Food Safety Officer, claimed that the samples were substandard,

but not injurious to health. He said these did not have fat of prescribed standard, which was punishable with a penalty.

He said the samples found to be adulterated or having bacteria could be taken up in court and fetch penalty, imprisonment or both.

Deputy Commissioner (DC) Atul Kumar said no direction on food safety had been issued by his office and the Department of Health (Food Safety) was authorised to collect samples.

Question hour holds little appeal for Opposition

Many MLAs fail to make it, others arrive late

GEETANJALI GAYATRI
TRIBUNE NEWS SERVICE

CHANDIGARH, FEBRUARY 22 The numbers in the Opposition seem to be dwindling during the question hour in the Haryana Vidhan Sabha which is gradually being reduced to a BJP versus BJP affair because of the absence of the former.

The proceedings for the day during the ongoing budget session began with most of the Opposition MLAs "missing" and the benches wearing a deserted look. While hardly any INLD legislators were present, Congress MLAs gradually trickled in.

This prompted Health Minister Anil Vij to take a dig at the Opposition as he stated, "The entire Opposition is demoralised. They don't come to the House anymore. There are a few INLD legislators and zero Congress MLAs. The Opposition seems to have been wiped out. We need to give them a farewell and send them packing." Education Minister Ram Bilas Sharma too had a remark to make, saying that the Opposition had been pushed to the sidelines and was no longer flowing in the Ganga of politics. This invited peals of laughter from the treasury benches.

Leader of Opposition Abhay Chautala, just like yesterday, arrived late while Con-

HARYANA BUDGET SESSION

DISPARITY IN LAND RELIEF TAKEN UP

The zero hour saw members raise the issue of disparity in land acquisition awards vociferously. Various legislators from the Opposition benches pointed out that compensation in adjoining villages differed causing resentment among the people. Revenue Minister Capt Abhinav said the disparity arose because of the difference in collector rate of the districts. The members said that there was a need for rationalising the policy.

gress Legislature Party leader Kiran Choudhry was not present in the House on both days. Kuldeep Bishnoi and Renuka Bishnoi, too, have not been present since the House began. Congress MLA Randeep Singh Surjewala, after his appearance on the day the session began, has been absent.

Yesterday, after missing his question due to his late arrival, Congress MLA Karan

Dalal blamed the traffic bottleneck at the entry and claimed that at the Assembly parking, there was little space for legislators.

Meanwhile, during the question hour, Agriculture Minister OP Dhankar, in reply to a question raised by INLD MLA Ram Chand Kamboj, said that during 2017-18, a premium of Rs 208.98 crore had been collected from the farmers under Pradhan Mantri Fasal Bima Yojana, whereas Rs 849.73 crore was disbursed as compensation amount to farmers.

Dhankar said the compensation amount for the loss of cattle due to an unknown disease in some villages of Sirsa in 2017 had been sent to the office of DC.

Anil Vij said the Civil Hospital of Ambala city would be upgraded to 300-bedded hospital for which an administrative approval of Rs. 64.71 crore had been accorded.

Education Minister Ram Bilas Sharma said that during 2018-19, the government had distributed Rs106.39 crore as scholarship to the Scheduled Caste students of government schools from classes 1 to 12, and soon the remaining SC students would get it too. Urban Local Bodies Minister Kavita Jain said there was a proposal to install 210 additional tube wells to meet the shortage of water in Faridabad.
